EDUCATION

B. Tech, IT

GMR Institute of Technology

2021-25 | Rajam

CGPA: 9.2

Intermediate, MPC

Narayana Junior College

2018-20 | Visakhapatnam

Percentage: 96.4%

SSC X

smt. Annapurna Vidya Niketan

2018-19 | Velivennu

Grade Points: 9.7

SKILLS

Programming Languages

- C
- Python
- Java

Tools

- Github
- Canva
- Postman
- VS Code
- Google Colab

Frameworks and Libraries

- React JS

Technologies

- HTML
- CSS
- Javascript
- Node JS
- Express JS
- MongoDB
- Bootstrap

ORGANISATIONS

- Selected as Coordinator in **Computer Society of India** student chapter in 3rd semester.
- Promoted to **Vice Chairperson** in 6th semester.

EXPERIENCE

Top Notch Software Solutions

Intern | Jun 2023 - Jul 2023 | Visakhapatnam, India

FRONT-END HTML | CSS | SQL | DJANGO

- Developed Library Management System using HTML, CSS, Django and SQL

PROJECT(S)

Task Notifier

React JS | Node JS | MongoDB | Express JS

- Developed a Task Manager application to help users manage and organize tasks seamlessly.
- Features include: task creation, task management, search functionality using tags, and date-based organization.
- Integrated email reminder functionality using Nodemailer to send automated notifications about upcoming deadlines.
- Implemented user authentication with JWT and local storage to ensure secure access to personal data and tasks.

E- Commerce

EJS | Node JS | MongoDB | Express JS

- Designed with inspiration from leading e-commerce platforms, Flipkart
- Implemented dynamic category exploration for users to browse a range of products.
- Integrated shopping cart functionality for users to manage selected items before checkout.
- Secured shopping data with user authentication using Passport.js for enhanced privacy.
- Leveraged MongoDB for efficient and scalable storage of user and product data.

Library Management System

EJS | Node JS | MongoDB | Express JS

- Features include seamless book addition, efficient student record management, and straightforward book transaction processes.
- Implemented student reports for tracking borrowed and returned books, enhancing administrative insights.
- Empowered users with robust search functionality for quick information retrieval.

ACHIEVEMENTS

- First Prize in Poster Design Competition for Stepcone, the largest technical fest at my college; poster used as the official fest poster.
- Winner of the Frontend Challenge Competition.
- Awarded Merit Scholarship for Academic Performance.
